

Graduate School of Science and Technology
Graduate School of Earth and Environmental Science
Graduate School of Bioscience

【Entrance Examination for Graduate Schools】

2019 Fall Semester

(~~Adult Admission~~ / General Admission)

<Summary for international students>

Courses and Enrollment Quotas

[Note 1] The quota indicated below is the total capacity of the Graduate school admission: General applicants, Applicants on recommendation, Applicants on special recommendation, Adult applicants, and International Admission applicants (For both Spring and Fall semester)

[Note 2] Please fill in the course code on your application form referring to the chart below.

Doctoral Program (Standard course term: 3 years)

Campus	Department	Course		Course code	Department code	Enrollment quota
Depend on your course / professor	Science and Technology	Science and Technology	Physical and Mathematical Science	A1	TAD	35 students
			Information Science and Technology	A2		
			Electrical and Electronic Engineering	A3		
			Life Science and Technology	A4		
			Materials Science and Chemistry	A5		
			Mechanical Engineering and Aeronautics and Astronautics	A6		
			Architecture and Civil Engineering	A7		
			Marine Science and Technology	A8		
	Earth and Environmental Science	Earth and Environmental Science	Global Environmental Sciences	C1	TGD	10 students
			Earth Observation and Space Systems Engineering	C2		
	Bioscience	Bioscience	Bioresource Sciences	E1	TLD	10 students
Life Sciences			E2			

※The professors of Kumamoto campus will mostly conduct classes in Kumamoto campus, but a part of practical training should be conducted in Aso training field due to the Kumamoto earthquake.

1. Outline of Entrance Examination

Entrance examination for graduate schools 【Fall Semester (General entrance examination)】

Application period	Examination date	Announcement of selection	Registration period	Month of enrollment
2019 June 7 (Fri.) - 17 (Mon.) *The documents must arrive at Tokai University between above dates. *Please use the postal mail.	2019 July 14 (Sun.)	2019 July 25 (Thu.)	2019 July 25 (Thu.) - August 6 (Tue.) *The documents must be postmarked between above dates.	2019 October

*Send the documents to:

Admissions Services Department
Tokai University
4-1-1 Kitakaname, Hiratsuka-shi, Kanagawa 259-1292, Japan
(E-mail: tokaiiec@tsc.u-tokai.ac.jp)

*The place of the examination will be indicated on the admission slip.

*Please check the month of enrollment before applying.

2. Eligibility Requirements

As stated in the Provision on Section 1, Article 102 of the School Education Act, each applicant must meet one of the following requirements:

- (1) has been awarded or is expected to be awarded a Master's degree by September 2019, or
- (2) has been awarded or is expected to be awarded a professional degree by September 2019, or
- (3) is recognized as having academic ability equivalent or superior to that of a graduate awarded a Master's or professional degree, as stated in the provision in Article 156 of the Ordinance for Enforcement of the School Education Act, and meets one of the following requirements:

- ①* has been awarded or is expected to be awarded a degree equivalent to a Master's or professional degree from an overseas university by September 2019, or
- ②* has completed correspondence courses provided by an overseas university while in Japan and has been awarded or is expected to be awarded a degree equivalent to a Master's or professional degree by September 2019, or
- ③* has completed a program at an overseas educational institution in Japan that is qualified to offer graduate programs in the country's school educational system and is specifically designated by the Ministry of Education, Culture, Sports, Science and Technology, and has been awarded or is expected to be awarded a degree equivalent to a Master's or professional degree by September 2019, or
- ④* has completed a program at the United Nations University, which was established as stated in Section 2, Article 1 of the Act on Special Measures Incidental to Enforcement of the Agreement between the United Nations and Japan regarding the Headquarters of the United Nations University (Act No. 72, 1976) by approval by the United Nations General Assembly on December 11, 1972, and has been awarded a degree equivalent to a Master's degree, or

- ⑤* has completed an academic program at an overseas university, a designated educational institution as stated in ③, or the United Nations University, passed an examination and the review stated in Article 16-2 of the Standards for the Establishment of the Graduate Schools, and has been recognized as having academic ability equivalent or superior to that of a graduate awarded a Master's degree, or
- ⑥ is recognized as having academic ability equivalent or superior to that of a graduate awarded a Master's or professional degree by the Ministry of Education, Culture, Sports, Science and Technology [Official Announcement 118 issued by the Ministry of Education, Science, Sports and Culture (currently, Ministry of Education, Culture, Sports, Science and Technology) in 1989], or
- ⑦** is recognized as having academic ability equivalent or superior to that of a graduate awarded a Master's or professional degree through the separate review of eligibility requirements by the Graduate School of Tokai University and is aged 24 years or older (born on or before October 1,1995).

[NOTE]

*** Applicants who have completed or expected to complete an academic program of an overseas university as stated on 2-(3)-①, ②, ③, ④, or ⑤ must submit additional documents before applying for the examination. (Refer to “Confirmation and Review of Eligibility Requirements” on the following pages.)**

****Applicants who are subject to a review of eligibility requirements by the Graduate School of Tokai University as stated on 2-(3)-⑦ must submit additional documents before applying for the examination. (Refer to “Confirmation and Review of Eligibility Requirements” on the following pages.)**

Confirmation and Review of Eligibility Requirements

The following applicants must submit additional documents before application for eligibility confirmation.

1. Applicants who have completed or expected to complete an academic program of an overseas university as stated on 2-(3)-①, ②, ③, ④, or ⑤

[1] Documents to be submitted

- (1) International student resume (to be completed on form ⑦)
- (2) (Expected) graduation certificate or (expected) certificate of completion (**issued within the last three months by the school from which you graduated**)
- (3) Academic transcript (**issued within the last three months by the school from which you graduated**)

[2] Submission deadline

May 20 (Mon.), 2019 (5:00 pm) *The documents must arrive at Tokai University by this time.

*Please submit the documents to:

Admissions Services Department
Tokai University
4-1-1 Kitakaname, Hiratsuka-shi, Kanagawa 259-1292, Japan

[3] Review of eligibility requirements

- (1) After submission, the documents will be reviewed to determine the eligibility of the applicant. For applicants who are subject to an interview, the date and time of the review will be notified.
- (2) Applicants who have passed the review of eligibility requirements and are qualified for application must submit the application documents (refer to the section “3 Application Procedures”) other than those described above within the designated application period.
The applicant eligibility, once qualified, will be valid in subsequent years. (However, the application documents must be submitted again.)

2. Applicants who are subject to a review of eligibility requirements by the Graduate School of Tokai University as stated on (3)-⑦

[1] Documents to be submitted

- (1) Resume (Japanese students: Use Form ⑥ / International students: Use Form ⑦)
- (2) (Expected) graduation certificate or (expected) certificate of completion (issued within the last three months by the school from which you graduated)
- (3) Academic transcript (issued within the last three months by the school from which you graduated)
- (4) Letter of recommendation (if you are enrolled at an institution as a research student)

*Please obtain the form from the Admissions Services Department. Email: tokaiiec@tsc.u-tokai.ac.jp

(5) Academic papers or materials of your research which can certify the eligibility (if available)

[2] Submission deadline

May 20 (Mon.), 2019 (5:00 pm) *The documents must arrive at Tokai University by this time.

*Please submit the documents to:

Admissions Services Department

Tokai University

4-1-1 Kitakaname, Hiratsuka-shi, Kanagawa 259-1292, Japan

[3] Review of eligibility requirements

(1) After submission, the documents will be reviewed to determine the eligibility of the applicant. For applicants who are subject to an interview, the date and time of the review will be notified.

(2) Applicants who have passed the review of eligibility requirements and are qualified for application must submit the application documents (refer to the section “3 Application Procedures”) other than those described above within the designated application period.

The applicant eligibility, once qualified, will be valid in subsequent years. (However, the application documents must be submitted again.)

***If you require an admission certificate to take the entrance examination**

For applicants who apply for admission from overseas and hence require an admission certificate to obtain a visa in order to travel to Japan from their country, the preliminary screening will be carried out on the basis of their submitted documents and a probationary admission certificate will be issued to successful applicants. The successful applicants must complete the embarkation procedures using the probationary admission certificate and take the screening test in Japan. If the successful applicant fails or does not take the screening test, the probationary admission will be rescinded.

[1] Documents to be submitted

(1) Application documents

*Use the enclosed Form ⑦ for resume

(2) Examination fee

[2] Submission deadline

Please ask the Admissions Services Department: (E-mail) tokaiiec@tsc.u-tokai.ac.jp

3. Application Procedures

Applicants must submit the following application documents, including the examination fee, to the Admissions Services Department **in the designated envelope labeled “Application documents enclosed”** by registered mail.

6. Other instructions

- Notifications from the university will be sent to the current address written on your application form. If the current address is changed after the submission of the application form, report the new address with your examination admission number, name, course of interest, previous address, and phone number in writing by an express postal mail using an envelope to the following address:

Admissions Services Department

Tokai University,

4-1-1 Kitakaname, Hiratsuka-shi, Kanagawa 259-1292, Japan

- If you need special assistance for taking the examination and/or participating in educational activities due to physical disabilities, please contact the Office of Admissions Services by May 24 (Fri.), 2019.
E-mail: tokaiiec@tsc.u-tokai.ac.jp

7. Privacy Policy

Personal information collected by Tokai University during the admissions process will be used as follows:

- For necessary operations from accepting application to enrollment, such as mailing an applicant's examination slip, acceptance letter, letter of admission (including announcement of Entrance Ceremony) and documentation for registration procedures (Inquiry Form and Letter of Consent), issuing student ID card, and aggregating statistical data, etc.
- For necessary services and announcements such as class registration, student lists, academic records, school registration, issuing of certificates, screening for scholarships, health exams, various applications for registration, and use of school facilities.

(Including usage for educational improvement purposes)

※When outsourcing above operations, we will confirm the operational and financial stability of the company, and sign a confidentiality agreement to ensure proper treatment of personal information, and manage and supervise the operations. (Including the utilization of outside sources or outsourcing statistical research using personal information obtained by Tokai University.)

8. Security Export Control

Tokai University has established the Tokai University Rules on Security Export Control in accordance with the Foreign Exchange and Foreign Trade Act, and conducts strict examinations for acceptance of international students, etc. Please note that international applicants who fall under any of the conditions set out in said regulations may be unable to enter their desired course or program.

Common Information

Tuition and Fees

The tuition and fees for the 2019 academic year are listed below.

(Unit:JPY)

Department		Science and Technology	Earth and Environmental Science	Bioscience
Category				
Fall Semester	Admission fee	300,000	300,000	300,000
	Tuition	367,500	367,500	367,500
	Educational management fee	105,500	105,500	105,500
	Facilities & maintenance fee	100,000	100,000	100,000
	Total	873,000	873,000	873,000

Tuition and fees required for the second and subsequent years

Tuition and fees required for the second and subsequent years may be revised depending on the school and social trends, including an increase or decrease in personnel costs, government subsidy (expense subsidy for private universities), cost of living, and university's financial condition.

[Note 1] Graduates (Master's program) of Tokai University, Kyushu Tokai University, or Hokkaido Tokai University are exempt from the admission and facilities & maintenance fees. Students who have graduated from Tokai University, Kyushu Tokai University, or Hokkaido Tokai University are exempt from half the admission fee and the entire facilities & maintenance fee.

[Note 2] In addition to the fees listed above, the following fees should be paid during the registration period.

1. Student health insurance union dues

Doctoral Program ... JPY 9,200 (for the shortest completion term, including entry fee)

(Students must pay this fee in one lump sum during the registration period. The management of the union is funded by the dues from each student.)

*Graduates of Tokai University (undergraduate and/or graduate schools) are exempt from the entry fee (JPY 200).

2. Alumni Association membership dues ... JPY 3,000 (for half a year)

*Graduates of Tokai University (undergraduate and/or graduate schools) are exempt from this fee.

[Note 3] If students need to participate in special practical programs, a practical training fee may be charged separately.

[Note 4] As a rule, the tuition and fees you have paid will not be refunded. For students who need to withdraw for specific reasons and complete the withdrawal procedure by 5:00 pm, Aug. 30 (Fri.), 2019, the paid tuition and fees, excluding the admission fee, will be refunded. (For details, refer to the Registration Guide delivered to successful applicants).

Among the tuition and fees you have paid, the admission fee is nonrefundable without exception.
