## 2. Important notices

### Enrollment of Graduate Students (Seoul Campus ONLY)

Hanyang University is accepting exchange students only to the Undergraduate program and is not accepting students to the Graduate program. Graduate students are still welcome to join the Undergraduate program if the home university permits and will have same eligibility. (Please note that Hanyang University offers larger number of English courses in undergraduate program).

\* This change will not be applied to the universities directly partnered with our Graduate Schools (Ex, Graduate School of International Studies, Graduate School of Urban Studies, etc.)

### Cumulative GPA Confirmation

To consider and respect as much as our partners' diverse grading system and to meet the qualification of the Hanyang University exchange program, we would like to request a confirmation from the student's home university for the cumulative GPA. There will be a part in the nomination system to confirm that the student's cumulative GPA is over 60% based on home university grading system, and it should be confirmed by the home university coordinator in order for the student to be qualified to apply for the Hanyang exchange program.

### On-Campus Dormitory

On-campus dormitory will not be available until further notice. Instead, we will share useful information that students can refer to when arranging accommodation through newsletter.

\* This policy will be implemented also for partners with reciprocal agreement regarding the dormitory. We will be sending a separate email for further information.

## National Health Insurance

The Korean government is mandating all long-term sojourn foreigners to be registered for the National Health Insurance since March 2021. Exchange students will be subject to the registration after applying for the Foreign Registration Card. Please note that the individual health insurance will be still required, as the national health insurance will not be valid until the Foreign Registration Card(FRC) is issued, and it may not cover some unexpected matters related to international students, such as hospitalization and etc.

## Korean Language Course

From 2023 Spring semester, Korean Language Course will not be included in the student exchange program. Students who wish to take a Korean Language Course should contact the [IIE\(Institute of International Education\)](#) that manages the course and register for the fee-paying Korean course individually.

## Buddy Program

Hanyang University Seoul campus does not provide the 'HY Buddy Program'. Please kindly note that the request for a buddy on the application page will not be recognized. All necessary information regarding the stay in Korea will be shared with the applicants through the newsletters when ready.

## 5. Academic Information

---

### English Course

We try to open diverse list of English courses in various departments to exchange students. Exchange students are allowed to take courses from different departments **upon availability**. The most up-to-date course list becomes available a month prior to the beginning of semester. Until then, student should refer to the previous year's course list. (e.g. 2023 Spring semester applicant should refer to 2022 Spring semester course list)

The previous English course list and information may be found from our [course catalogue](#).

### Credits and Study Load

1 HYU credit consists of 15 contact hours. Regular student's study load at Hanyang is 15~18 credits per semester while maximum credits are 20. Exchange students should take at least one regular course to maintain their visa.

### Course Registration

Before coming to Korea, students will have several chances to register courses online. There are different phases for course registration categorized by their major and year and it works on "first-come, first-served" basis. The specific dates will be sent to students directly through email.

### Evaluation and Grade

Although the evaluation method may differ based on professor's policy, attendance is always an essential part of the evaluation process. Hanyang does not have re-sit examinations so the final grade inputted into the system cannot be changed. Students can take only one P/F course in one semester and most courses will be in letter grade. Please refer to the below chart for the grade system at Hanyang.
