*Fill in only if you are a student at Tokai University. **Fill in only if you are a student at a university other than Tokai University. The personal information provided will be used solely for tasks related to the application process and not for other purposes.

- Please read the application guidelines carefully before applying.
- Do not exceed five pages starting from the following page (including this page; the total should not exceed six pages). Delete the blue texts when submitting.
- Use a font size of 10.5 points or more significant. It is acceptable to use diagrams and tables.
- Do not alter the MS Word format (margins, line spacing, etc.).
- Apply in PDF format and attach it to the specified email address.
- Include your name in the file name (e.g., Application SuzukiTaro.pdf) when you submit it.
- Use clear and easy-to-understand expressions, as judges from various specialized fields will conduct the review.
- Your understanding of the objectives of the Tokai-SPRING SACRA program and the career development and training content will also be evaluated.

1. Research Topic in the Doctoral Program.

2. Research Plan: Please describe the research plan, including the background, objectives and significance, research methods, research schedule, and aspects of innovation, originality, and creativity. If you have previous research achievements (such as papers, awards, or conference presentations), please mention them in the text. When listing authors and co-authors, underline your name.

3. Self-analysis: Please describe a self-analysis, including your strengths and weaknesses.

4. Please describe how your research achievements, knowledge, and skills can contribute to solving societal and regional challenges.

5. Please describe the career vision you aim to become (your vision for yourself in 10 years or your future aspirations).
